Complete Advantage[®]

Horizon BCBSNJ members can enjoy discounts on eyeglasses, examinations, laser vision correction services and contact lenses from Davis Vision through the Complete Advantage[®] Program. Davis Vision is one of the nation's leading managed vision and eye care providers.

Our members may use the vision exam benefits of their health plan by visiting an in-network ophthalmologist for their exams and paying their copayment. Vision benefits vary with each health plan. Members can then use a Davis Vision provider for hardware purchases such as eyeglasses, but should verify first whether the provider accepts outside prescriptions.

Members should mention Davis Vision, then present their Horizon BCBSNJ ID card at the participating Davis Vision provider to receive their discount.

Members can reach a Davis Vision member services representative by calling 1-877-518-8748. Or, they can visit our Web site at www.HorizonBlue.com/Discounts to access Davis Vision (use access code 2535). Then click *Find a Nearby Doctor* or *Open Enrollment* to access information.
